Press Release

Poplar Street Complex – East St. Louis, IL

Collinsville, Illinois – The Illinois Department of Transportation announces that daytime single lane closures will be encountered on the westbound collector-distributor ramp of I-55/64 from the 13th Street/Tudor Avenue off-ramp to the 13th Street/Tudor Avenue on-ramp. Left and right lanes of I-55/64 will be alternately closed (i.e., one at a time) to conduct required deck inspections on the bridges carrying these routes beginning Tuesday, April 18, 2017, weather permitting. A minimum of one lane of traffic in each direction will be maintained during the lane restrictions. The lane restrictions will extend through Thursday, April 20, 2017. All lanes will be opened up to traffic on westbound I-55/64 between 6:00 AM and 9:00 AM.

Significant traffic delays are anticipated; motorists are encouraged to consider alternate routes.

Traffic control devices will be utilized to assist motorists making their way through the work zone. The Department asks that all motorists be patient and use additional caution when travelling near and through this work zone. Please slow down and use extreme caution while driving through all work zones.

Additional information is available at <http://apps.dot.illinois.gov/stl-traffic/>.
